

Guidelines for ESMTB Financial Support of Travels to Mathematical/Theoretical Biology Meetings 2011

- Applicants must be members of the ESMTB at the time funds are requested. Preference will be given to applicants who have been members of the ESMTB for at least a year preceding the time of application, or whose advisers have been members for at least a year.
- Preference will be given to graduate students. But application is also possible for post-docs, senior scientists with insufficient travel funds, and non-ESMTB members who join at the time of application.
- Applicants have to present a paper or poster at the meeting.
- Preference will be given to individuals who did not receive a travel grant from the ESMTB before.
- Funding in most cases will be partial, limited to EUR 500, in order to support a greater number of attendees.
